

SENATOR WESELY: Oh, okay.

SENATOR SCHIMEK: ...that we are dealing with, and the only way that it is referenced here is down at the very bottom of the page, but you are right, and we have talked with Gina about this, but...

SENATOR WESELY: Okay. All right.

SENATOR SCHIMEK: ...we'll get to that on the next amendment.

SENATOR WESELY: All right, I wasn't quite following which amendment was before us, so thank you.

SPEAKER WITHEM: Senator Stuhr.

SENATOR STUHR: Mr. Speaker and members, I stand in support of this amendment. Actually, all it does is designate some funds that are already being received by private donations and setting those aside to have the mammogram screening, diagnostic screening. So I support this amendment.

SPEAKER WITHEM: Thank you, Senator Stuhr. Senator Schimek, there are no further lights on. Would you like to close? Closing is waived. The question is the adoption of the Schimek amendment. All those in favor vote aye, opposed vote nay. Record, Mr. Clerk.

ASSISTANT CLERK: 26 ayes, 0 nays on the adoption of the amendment.

SPEAKER WITHEM: The amendment is adopted. Next item.

ASSISTANT CLERK: The next amendment I have is from Senator Schimek. It is AM0898. It is found in the Journal on page 1212.

SPEAKER WITHEM: Senator Schimek.

SENATOR SCHIMEK: Would you withdraw that amendment please.

SPEAKER WITHEM: You may withdraw that amendment, we can't.

SENATOR SCHIMEK: Withdraw that amendment please.
